Entrepreneurship Development Cell (EDC) was established in A. Veeriya Vandayar Memorial Sri Pushpam College (Autonomous), in the year 2014-2015. The aim of the cell is to develop the students to get employability or to become self-employed/ an entrepreneur.

Objectives of EDC

- To conduct various skill development training programs leading to self-employment, conduct research work and survey, identifying entrepreneurial opportunities for our students etc
- To arrange visit to industries for exposure and in the job training
- To collaborate with Entrepreneurship Development Institute to support Entrepreneurship activities
- To guide and assist prospective students on various aspects such as preparing project reports, obtaining project proposals, loans facilities from agencies of support systems.

EDC Committee
Academic year 2014-2015
